

College Management System

### **STUDENTS MANAGEMENT MODULES-View Students**

Students who are in workplace-INACTIVE STUDENTS-must not receive any notification.

Students who have completed the course-COMPLETED STUDENTS- must not receive the notification.

### **STUDENTS MANAGEMENT MODULES-Attendance Register**

Bongani	Nkuna	FIT10294	False	Facilitator
---------	-------	----------	-------	-------------

Mr Nkuna Bheki can't mark the register on the system, especially on the MEGA funder students- its only 6 students that appear on the system then the rest of the learners they don't appear.

Bennidit	Nkabinde	0106306051082	0673461455	FIT20211703	
----------	----------	---------------	------------	-------------	--

-is not appearing on the students list register, when marking the register under electrical students funder-MEGA

### **HR MODULES**

On the leave module, the HR should be able to upload a sicknote, even after they have approved the leave&download

An employee should be able to upload their own sicknote after sending their leave

The should be Admin and Super Admin, as an Admin should not have an access to payslips, but have an access to the rest of the system modules
