3. **Popular Mobile Applications and Their Navigation**

   - Introduction to popular apps across different categories

   - Step-by-step walkthroughs of app navigation for each application

   - Demonstration of common tasks and features within each app

4. **Social Media Apps**

   - Facebook

   - Instagram

   - Twitter

   - LinkedIn

5. **Communication Apps**

   - WhatsApp

   - Messenger (Facebook)

   - Skype

   - Slack

6. **Productivity Apps**

   - Microsoft Office Suite (Word, Excel, PowerPoint)

   - Google Drive

- Evernote
- Trello

7. **Entertainment Apps**

- Netflix
- Spotify
- YouTube
- TikTok

8. **E-commerce Apps**

- Amazon
- eBay
- Etsy
- Walmart

9. **Health and Fitness Apps**

- Fitbit
- MyFitnessPal
- Headspace
- Nike Training Club

10. **Travel Apps**

- Airbnb
- Google Maps
- TripAdvisor
- Uber

11. Banking and Financial Apps

- PayPal
- Venmo
- Mint
- Robinhood

12. Customizing App Settings

- Exploring app settings and preferences

- Adjusting notification settings

- Managing account and privacy settings

13. Best Practices for App Security and Privacy

- Importance of app permissions

- Recognizing and avoiding suspicious apps

- Protecting personal information

14. Q&A and Troubleshooting

- Addressing common issues and concerns

- Answering participant questions

- Providing additional tips and resources
